

Re Planning Application; 211667 (Wokingham Borough Council)

Planning Appeal Reference; APP/X0360/W/21/3279867

Hurst Village Society will be sustaining its objection to this application for prior approval for the erection of an 18 metre high 5G mast and accompanying cabinets on the grass verge beside the A231, at the rear of the Elephant and Castle Public House. This follows the applicant having lodged an appeal against the decision of Wokingham Borough Council to refuse the application when it was submitted earlier this year.

A number of local residents submitted their own individual objections then and HVS would urge them to contact the Planning Inspectorate reaffirming those objections. Remember you are able to make comments on this application to the planning inspectorate now, now even if you did not do so to Wokingham Borough Council when the original application was submitted. The appeal will be determined on the basis of written representations which is why it is important for you to raise your concerns, but remember you must quote the Planning Appeal Reference; APP/X0360/W/21/3279867.
